

## **Romance and Classical Studies/Vision Statement's directions with examples**

### **Vision Statement**

4. *Strengthen pedagogical and research connections between our undergraduate and graduate programs within and across disciplines.*

- Continue to investigate, implement and innovate language pedagogy and research by requesting, for example, T-S position in Italian linguistics.
- Direct a capstone project with interdisciplinary foci.
- Assist graduate students develop their professional formation as instructors of basic language courses and advanced courses in the French and Spanish curriculum.
- Obtain a recurring Tech-Graduate Assistantship.
- Mentor graduate assistants in charge with editing an UG digital journal.
- Invite advanced undergraduate students to participate in the *Tropos* conference and consider proposals of their work for publication in the conference journal.
- Work on developing partnerships with MSY programs and units whose chime with our UG and G programs
- Promote the use of interdisciplinary approaches by our faculty and students in their research projects and collaborations.
- Submit compelling descriptions of job position in professional writing, composition and rhetoric in the Romance languages.
